

Discover PEGASUS in Dubai at Expo 2020

Themed by “Connecting Minds, Creating the Future,” Expo 2020 Dubai which finally opened on October 1, 2021 after an 8-month delay is the biggest global event held since the COVID-19 outbreak. It is also the first world expo to be held in the Middle East.

Themed by “Globally Oriented Tianjin, for the World’s Better Understanding,” the “Tianjin Day” event of Expo 2020 Dubai officially opened on December 8, 2021. The event broadcasted live to global audience, by adopting online and offline means including video link to Dubai. It launched a total of five activities, including the opening ceremony integrating online and offline sections, online tour to the pavilions, enterprises’ contract signing, promotion presentations and exhibitions. More than 400 enterprises were exhibiting.

PEGASUS is honored to be invited to the event and showcase the enormous quality of our products to millions worldwide.
