

## PEGASUS at JIAM 2022 OSAKA

(Japan International Apparel Machinery & Textile Industry Trade Show)

### Invitation to the PEGASUS BOOTH

November 30 (Wed.) - December 3 (Sat.)

Japan, INTEX OSAKA Hall No. 6

PEGASUS SEWING MACHINE MFG. CO., LTD. (Headquarters: Fukushima-ku, Osaka, Japan; President: Shigemi Mima, hereinafter referred to as PEGASUS) will be setting up a booth at the 12th Japan International Apparel Machinery and Textile Industry Trade Show (JIAM 2022 OSAKA). This event will be held for four days, from November 30 (Wed.) through December 3 (Sat.) at INTEX OSAKA in Japan.

PEGASUS will introduce our newly evolved, advanced lineup of interlock stitch machines and overedgers launched as “NEW & NEO” in the PEGASUS BOOTH.

Recently, the market has been changing at an extremely rapid pace. PEGASUS is responding to these new challenges faced by sewing factories to cope with small-lot production of a wide range of items by introducing labor-saving devices appropriately displayed in the “Solution Corner” and “Integrated Sewing Units and Labor- saving Devices Corner.”

In addition, in accordance with the JIAM 2022 OSAKA theme, “It all connects at JIAM - the forefront of the future technology and master craftsmanship” digitally controlled sewing machines will be on exhibit, and in the “Smart Factory Corner” our unique Production Control System using a smartphone will be demonstrated on a sewing line.

# News Release

PEGASUS has established official SNS accounts dedicated to JIAM 2022 OSAKA. Information concerning the exhibition and the people involved will be updated on a daily basis.
